

REMARKS

In the Office Action under reply, restriction was required as follows:

Group I claims 1-31, 36-42 and 44-46, directed to “remotely determining the configuration of a computer” and

Group II claims 32-35 and 43, directed to “a method of determining a connection speed of a computer.”

Applicant elects, **without traverse**, Group I claims 1-31, 36-42 and 44-46 for further prosecution in the present application. To simplify the prosecution of this application, non-elected claims 32-35 and 43 are cancelled.

The non-elected claims are being presented for prosecution in a divisional application.

An early examination on the merits of the elected claims is solicited.

Respectfully submitted,

FROMMER LAWRENCE & HAUG LLP
Attorneys for Applicant
